To the Gunner Family,

We have initiated the enclosed RCA Heritage Campaign Report as an annual feature of the Campaign and as this is our first edition, we are reporting on the projects, events and generous donations since we began our efforts to revitalise the Campaign at the end of 2010.

Our Regiment's proud history and success can be attributed directly to the sacrifice, leadership and generosity of those that came before us. It's our turn now to secure the future by giving something back. The Regiment needs your involvement.

The many exciting projects outlined in our report cannot succeed without generous donations and committed volunteers. I would also ask you to help us raise money by volunteering either as part of our National effort or in your own region.

To learn more about the RCA Heritage Campaign, including updates and reports as well as a complete donor recognition list please go to our website link at: www.artillery.net/beta/heritage-campaign/

To all those who have made a donation to the Heritage Campaign, the Regiment acknowledges your generosity with much gratitude. Your personal and direct support in assisting us in fulfilling key objectives of the RCA Family Strategy is truly appreciated.

If you have not had a chance to donate, you can do it by mailing the attached donation form, by clicking conveniently and securely on-line at www.artillery.net, or by calling RHQ at 204-765-3000 ext 3595. You can make a one-time annual gift or you may wish to make a three year pledge.

Please join me in supporting this worthy cause and make your tax deductible donation today.
